

Dear Donor,

Like every month, we have helped many underprivileged people in **April 2020**. We feel gleeful when we share our activities with you, and we hope that maybe our efforts will encourage you to do something for the helpless souls. With time, we have realized that real happiness lies in making others happy. If we look at this month, we have **distributed food, ration in form of grains and cereals for needy people stuck due to lockdown** at various places in Delhi /NCR region. Here, we are sharing some of the images with you in which you can see how our team is working. Thanks for your blessings and support.

Thanks & Regards,
