Corona Drive

There are genuinely sufficient resources in the world to ensure that no one, nowhere, at no time, should go hungry. We are working towards this, along with support of donors and volunteers.

Corona Drive

Corona Drive

Inspire
others to
help end
child hunger.

The value of giving is often deeper than just the support as we believe, we have started a new initiative of OPD support for economically weak people. Sharing few OPD cases we supported this month.

We want to create a bond of empathy needed to make the world a better place, we can do it together.
