

MOTHER CONCERN
Caring for World

Dear Donor,

Like every month, we have helped many underprivileged people in Dec 2022. We feel gleeful when we share our activities with you, and we hope that maybe our efforts will encourage you to do something for the helpless souls. With time, we have realized that real happiness lies in making others happy. If we look at this month, we have distributed food, clothes and daily nutritional meal for the needy underprivileged people at various places in Delhi /NCR region. Here, we are sharing some of the images with you in which you can see how our team is working. Thanks for your blessings and support.

Thanks & Regards,
Mother Concern Team

Aahar- Food Distribution Drive

The ultimate act of care and affection is feeding someone. Our volunteers are participating in this food distribution as an act of kindness.

Aahar- Food Distribution Drive

Aahar- Food Distribution Drive

Poverty is not a problem; hunger is. How beautiful it is to feed unprivileged children to improve the world!

Aahar- Food Distribution Drive

Genuine
satisfaction
after
providing
enough food
for these
angels and
brightening
their day

Aahar- Food Distribution Drive

Aahar- Food Distribution Drive

Together, we make a difference in the lives of people by offering food and attempting to eliminate hunger.

Aahar- Food Distribution Drive

Santa Gift Distribution Drive

Aahar- Food Distribution Drive

Aahar- Food Distribution Drive

Giving these
starving children
enough food for a
day will help them
avoid
malnutrition.

Footwear Distribution Drive

Aahar- Food Distribution Drive

If we want to achieve zero hunger, then everybody should be involved in this race against time.

The value of giving is often deeper than just the support as we believe, we have started a new initiative of OPD support for economically weak people. Sharing the OPD case we supported this month.

We want to create a bond of empathy needed to make the world a better place, we can do it together.

Master Subash

APPRECIATION LETTER

The patient named, Absani Khatoon, age 06 days at the time of admission, Female was admitted to hospital on 30/11/2022 and got discharged on 18/12/2022 after successful completion of her treatment. With distressed gut loops. It's an intestinal malfunction with an abnormality that can happen early in pregnancy. In this case kids intestines don't form into a coil in the abdomen. but timely financial assistance and subsequent treatment made her recover in good time. She had fully recovery with proper treatment and care.

We thank Mother Concern for providing financial support for her treatment .

We thank Mother Concern once again for their support.
