MOTHER CONCERN
Caring for World

Dear Donor,

Like every month, we have helped many underprivileged people in December 2024. We feel gleeful when we share our activities with you, and we hope that maybe our efforts will encourage you to do something for the helpless souls. With time, we have realized that real happiness lies in making others happy. If we look at this month, we have distributed food, nutritional meals on a daily basis for the needy underprivileged at various places in Delhi /NCR region. Here, we are sharing some of the images with you in which you can see how our team is working. Thanks for your blessings and support.

Thanks & Regards,
Mother Concern Team

OPD Support

MOTHER CONCERN
Caring for World

The value of giving is often deeper than just the support as we believe, we have started a new initiative of OPD support for economically weak people. Sharing the OPD case we supported this month.

We want to creates a bond of empathy needed to make the world a better place, we can do it together.
